June 2021

What an exciting time now with all the graduations, weddings, and Mother and Father's Day & Memorial Day. We are all so very blessed and we wish you and your family a wonderful start of summer!

Our team in Haiti has been so busy feeding families, helping with medical emergencies and meeting needs. We are so grateful for each one that partners together in giving and prayer to make a difference there every day. *Wow we are so overwhelmed to donations for new wells and filters!* We cannot wait to put these in place and show you some happy faces! Woohoo! We can never thank you all enough.

Just look the smile on Mrs. Rosemary's face! She is paralyzed and we gave her a new wheelchair and provisions. A wheelchair is a big deal and so thankful to be able to bless her with it.

To the right is a young man that had a terrible cut and infection that received quality medical treatment.

We are about to build a new home for the LouisSaint family this month. They love our Lord and are in such need. It has been almost 2 years since their situation was laid on our hearts. In faith we are moving forward for them. Wouldn't you love to be part of their joy by helping with this project? Any gift will help and is so appreciated.

We have a small team going to Haiti the end of the month to do medical clinics for hundreds, work on the garden, the LouisSaint house, share the incredible Jesus and love on the desperately poor. This is the first since COVID stopped us, and we are so excited to go hug them all! Donations of items such as vitamins, ibuprofen, benedryl, bandages and hydrocortisone would be awesome.

Please see reverse

If you sponsor a child for school and would like to send a letter/photo/small gift, we would be so happy to personally deliver it when we go there the end of the month and get a photo for you. Mail or drop it by our office at 109 N. Jackson Street, Hartwell, GA 30643 **no later than June 19.**

Also please consider sponsoring a child when they start school in September. Thank you letters from the student are being gathered and translated now and mailed ASAP!

Don't forget we can always buy goats and chickens to give out too! Goats are about \$75 each and chickens are about \$25.

Closer to home, we helped sponsor founding member Katlyn Reed Strickland and her new husband Corey Strickland as they are now in Miami serving in a short internship where they hope to work with the Haitian population. We congratulate them on accepting a year-long position in a distant country that desperately needs the witness of faith of this awesome young couple. Katlyn and Corey have been with us many times to Haiti and work to help people and share Jesus anywhere they can.

In May we sponsored a Night of Worship in downtown Hartwell at the Teasley House featuring

youth performances, worship singing led by Tim Fleming, Youth/Worship Pastor at Rock Branch Baptist Church, a message from Encounter Church pastor Ryan Winne, and more worship singing led by the Encounter Church worship team. What a wonderful time to come together and praise the Lord and we are so thankful for everyone that helped make this event possible and for those that came out! We hope to do this again, so let us know if your worship team or praise leader wants to lead or you would like to share.

What a privilege to be part of The Way Church's Global Mission Conference on May 2nd. We joined other missionaries from Africa, Albania, India, Romania, Venezuela, along with Broken Heart Ministries, and Little Book Ministries. Wow and there was a concert by singer/songwriter and former member of the Gaither Vocal Band, Buddy Mullins. What a joy to meet him and his lovely wife. He is CEO of Hope for the World organization, and his family personally serves with Hope for The World Albania. Thank you, Pastor Riley and Debbie Shelton and The Way Church, for the opportunity, for all your hard work and for such a passion to see Jesus glorified throughout the world.

Gosh we are just so thankful for each of you. What joy to serve together and thank you for thinking of us and them. Lives changed now and eternally. Hallelujah! God bless you all.

With love,  *The Bauknight Family* The Bauknight Family and all of us at Acts1Eight
