October 2021

Warmest greetings and we pray you and your family are well and blessed. How exciting to share some of the wonderful things Acts 1:8 is doing because of God's powerful plan of love that knit us all together.

First day for the younger boys in our home

The children were all smiles as school started in September. What a miracle to send over 80 this fall! Education is such a special gift of hope and self-respect, that can never be taken away. You can change a child's life too for just \$300/year (\$25/month)! Our director implemented a new contract process between the school, guardian and student to ensure that Christ is glorified, and the student will faithfully attend and conduct themselves with dignity.

Precious lives saved and changed:

Last year little Sarah, right, had such a high fever she had seizures. We prayed so much for her and provided hospital treatment. This year, thanks to a wonderful sponsor, she started her first year of kindergarten!

Our mission also provided treatment for this young boy, Lawrendjy, suffering from Yellow Fever, and now both the boy and his sister, Dalgerie, are sponsored for school by an amazing mother and daughter.

There are many more children waiting for the privilege of education and need a sponsor. This would be an amazing Christmas gift.

Children and families are given food and necessities every month. Thank you everyone that gives so they can receive.

partners

You can help by becoming a monthly Ministry Partner. It can be set up thru your online banking system, our website or Facebook via PayPal or text 4HAITI to 44321 and make a recurring donation. Any amount is a treasured gift!

New Home: The St. Louissant family moved into their new house and new community! After 18 months of delay due to COVID, they now have a safe, secure home. Before, they lived in a mud and stick hut covered with tarps.

There have been so many opportunities to glorify Jesus through medical emergencies. This is truly a miracle for them because they will not get care if they cannot pay.

Please consider helping us provide surgery for this little boy with a hernia shown at right. He is in terrible pain. The procedure itself will cost over \$1200. There is no way this mama could ever do it.

Haiti Blessing Project

As Thanksgiving and Christmas draw near, think about blessing the desperately poor with a goat, chickens or food gift. We will begin purchasing these as soon as your donation can get wired to Haiti. The animal market is only on Tuesday and Saturday, so are very excited to launch this project now. **Goats \$75, Chickens \$25, Rice/Beans/Oil/Spaghetti \$100, but any \$ used.**

Get together with your church group, workplace or family and friends and let's share the love of Christ in a big way this season! Mark your donation "**Haiti Blessing**", and we will send you a photo of your gift being given.

In closing, please pray for the missionaries that were taken hostage. Also, for Esdras' youngest son, Samuel, for his heart valve to be healed.

Thank you for remembering this ministry and the Haitians in your prayers. Lives are being changed, glory to God!

With much love,  *The Bauknight Family* The Bauknight Family and all of us at Acts1Eight
