December 2021

Hope you and your family had a wonderful time of Thanksgiving! We want you to know how truly thankful we are for you. What a blessing to join together to share the love of Christ with our brothers and sisters in Haiti. Everything that is accomplished is because of the goodness of God and amazing people united in prayer, spreading awareness and giving resources to be part of the Lord's answer to their desperate cries. Thank you!

How exciting that Christmas is near! Celebrating our God fulfilling His great plan from the beginning to reconcile us to Himself. **He came to us** with the birth of Jesus Christ. He gave everything to demonstrate how precious each person is, laid down His life as our perfect sacrifice and demolished separation. Accepting this gift makes us spiritually new, available to everyone, everywhere to become sons and daughters of God..Experiencing Him here and now, and spending eternity in Heaven. That is Good News! We wish each one this joy of Christmas.

CHRISTMAS IS THE CELEBRATION OF THE BIRTH OF JESUS, THE SAVIOUR OF MANKIND

Haiti Blessing Project

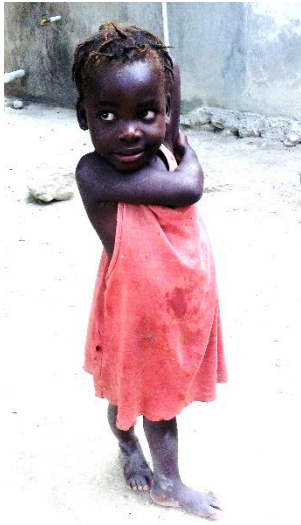

The food prices have doubled again this year. It is harder to find and so dangerous because of thieves. They really need help. Would you consider the giving a goat, chickens or food?

This would be an amazing gift to give in honor or memory of someone, or for that person hard to buy for on your Christmas list!

Goats \$75, Chickens \$25, Rice/Beans/Oil/Spaghetti \$100, but any \$ used.

Get together with your church group, workplace or family and friends and let's share the love of Christ in a big way this season! Mark your donation "Haiti Blessing".

Another awesome Christmas idea putting a child in school in Haiti!

Education is such a special gift of hope and self-respect, that can never be taken away. A child's life can be changed for just \$300/year (\$25/month)!

As 2021 comes to a close, would you think about partnering with a *year-end gift* to help with expenses of operating the boys home, providing food to the hungry and emergency medical care? Our Haitian team is working every day meeting needs throughout the year.

The young boy did receive surgery for his hernia through the kindness of some special donors. God bless them! ❤️

Children and families are given food and necessities every month. Thank you everyone that gives so they can receive.

You can help by becoming a monthly Ministry Partner. It can be set up thru your online banking system, our website or Facebook via PayPal or text 4HAITI to 44321 and make a recurring donation. Any amount is treasured!

Please continue to pray for Haiti... For the hostages and families, captors, and ones involved in the resolution; for its government and the desperate people, for missionaries, the sick, orphaned, and hopeless. So thankful 2 of the 17 hostages were released on November 21, but no word on the other 15. With gangs running rampant, the whole country is at risk and suffering. Ask for and expect miracles!

Praying health and happiness, peace and joy to you and yours as we celebrate the birth of Jesus that changed everything! Looking forward with hope to welcome 2022. Merry Christmas and Happy New Year!

With much love,

❤️ *The Bauknight Family*
