July 2022

Warmest greetings! We hope you enjoyed a wonderful time of celebration for Independence Day. How utterly grateful we are to those who have served and sacrificed their lives, and to their families, so that we enjoy freedom and peace. God bless every one.

Thank each of you for partnering and being the hands and feet of Jesus to the desperately poor in Haiti and for all the truly life-changing displays of love and hope. ***Every day, miracles happen because God put us all together!***

Wow it has been so hot, but just think....that's how Haiti is year-round. Imagine suffering through it with no power, ice, A/C, etc, combined with violent gangs, no jobs, no gas, limited or no access to medical care, living in a shack eating mainly rice and beans. Just today, Esdras waited in line in that heat 6 hours to get gas because the supply is shut down again. It's heart-breaking. How humbling to be part of their answer to prayer.

**The church and school building in Larot is underway! Hallelujah! It would be such a blessing to also provide furnishings and new home for the pastor and his family that are standing strong with our Lord in the face of Voodoo. A whole community is watching to see what God's people will do.**

***Could you or your church group partner and donate for this church and school at Larot? Let's overwhelm them!***

At the end of this month, Slate will go to Haiti and lead a dedication service, take medical supplies for the free clinics, minister in our boys' home and other orphanage we support, visit sponsored children, deliver food and demonstrate God's love in amazing ways. Please be in prayer for him and fellow missionaries due to dangerous travel and for a powerful time with the people.

*FYI Our family and board serves voluntarily with no compensation. No donations are used for travel expenses, etc*

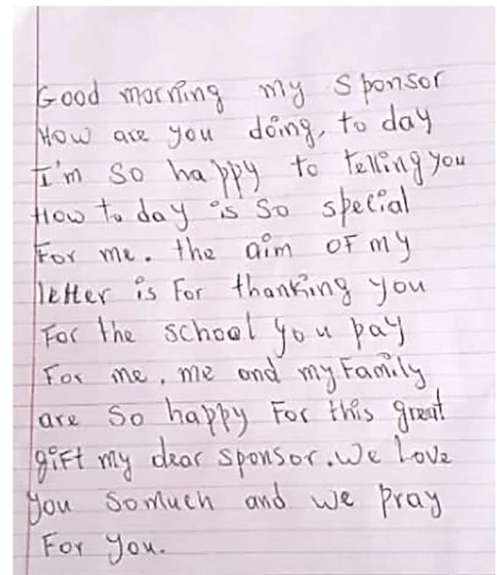

We are still collecting the following items: Hydrocortisone, Antibiotic Cream, Tums/Antacids/Acid Reducer, Immodium, Pepto tablets, Anti-Gas tablets, Children's Chewable Vitamins, Adult Vitamins, Tylenol/Ibuprofen/Aspirin, Benedryl, Clotrimazol Cream (Anti-fungal), Bandages, Backpacks, Children's Shoes. Contact Ginger at 706-436-5644.

We love this time of year receiving thank you photos and letters to school sponsors of precious children. Current sponsors: we are in the process of translating and formatting and will send yours as quickly as possible. Thank you each and every one and God bless you!

Education is a gift that can never be taken away and instills pride and hope in boys and girls. If anyone would like to become a sponsor, the cost is \$300/year which includes a custom-made uniform, shoes, backpack, documents, tuition, and needed supplies.

Our mission director, Esdras, had an extended hospital stay due to an unknown issue and requires further testing in the Dominican Republic soon. Please pray for healing and protection for him and his family.

**This mission serves every day in Haiti, and here are highlights from the past few weeks:**

At left is Bon Secours orphanage we have helped since 2018. The pastor/director is a dentist and really loves the children, but simply cannot make it without our monthly support. They were forced to move again, and because of a special partnership with a local foundation, a new facility was rented with a nice yard, new mattresses given, and new clothes and shoes purchased which they proudly wore to church. We also assist them with food.

At right shows all the school children being fed for a special celebration.

At left, this mother and daughter are receiving medical care and food assistance. They have both been diagnosed with **Tuberculosis**. How sad, but yay they will receive prescribed weekly treatments for 6 months because God had made this way for them through us all.

At right, this mother had an emergency C-section. Without help, both mother and baby would have died.

At left, this young fellow is disabled and received this 3-wheeled cart! We also assisted in helping him start a little business to support himself.

We hope you see how your donations are giving life and making a real difference! If you would like to be part of it, they need your help!

Lifestraw Water filters (pictured left), goats and food have been given, and many critically sick people received emergency medical care.

An orphan teenage girl was brutally attacked, and we took her in, provided care and rented her a home, also helping her with a business. Would anyone like to sponsor her for school? There are other children needing sponsors too.

Anytime is a good time to bless widows, orphans and desperately poor families with goats and food. This can be done also in memory or honor of someone and is a gift that truly makes a difference! **Goats \$75, Chickens \$25, Rice/Beans/Oil/Spaghetti \$100, but any \$ used. Please mark "Haiti Blessing"**

Please consider becoming a monthly Ministry Partner of any amount. You can set up thru your online banking system, thru our website or Facebook via PayPal or text 4HAITI to 44321 and make a recurring payment. Most importantly, please remember this ministry and the Haitians in your prayers. Lives are being

changed now and eternally!

God Bless You!
