November 2022

We are so very thankful for each person and group that prays for and partners together to bring hope and help to our brothers and sisters in Christ in Haiti. It is mind-blowing the way God has connected us for such a time as this, to assure them they are not forgotten and be His life-line in the chaos.

The crisis in Haiti has gotten even worse. Food prices have tripled in our mission area, and gas going for \$50/gallon if it can be found bootlegged on the street. Banks are rarely open, gang violence keeps the country and people on lockdown. The UN voted October 21 establishing a sanctions regime targeting individuals and entities engaging in or supporting criminal activity and violence – together with a targeted arms embargo. So thankful for that step but more is urgently needed immediately. Lack of medical care and food, combined with an outbreak of cholera is taking lives of those most vulnerable.

Last week, Esdras and several other Haitian orphanage directors travelled a day's journey to buy food where it could be found at a better price. Esdras is spending much time on the mountain before the Lord crying out for help.

Please remember them and pray for breakthrough and peace, and miracles which can only come from God.

We have many good things to report on the reverse side and below are ways you can partner to help:

Haiti Blessing Project

Please consider blessing the desperately poor with a goat, chickens or food gift. We cannot predict the cost of food or availability of goats with the turmoil there, but every effort will be made to honor specific requests.

Get together with your church group, workplace or family and friends and let's share the love of Christ in a big way this season! Mark your donation **"Haiti Blessing"**, and we will send you a photo of your gift being given.

We are actively pursuing shipping MannaPacks to Haiti. MannaPacks are an excellent source of protein, carbohydrates and key nutrients. We have given these many times.

General donations are so much needed and appreciated!

(This little boy to the right only has one leg. What a joy to give his mom many of these meals)

**GIVING
TUESDAY**

Facebook Giving Tuesday will be Tuesday, November 29 for fee-free donations and the possibility of being doubled! Our page can be found at facebook.com/acts1eight

Our mission is working even harder on the ground there and bringing awareness here. Hallelujah to share these wonderful reports!

The widow that lost everything in a fire is in her new rented home. Donations to help her have provided food and she will be set up in a business this month! She wanted to sell charcoal so several large bags will be purchased for her to get started. They will also need beds, mattresses, clothes, and food and the children will need sponsors for school please!

Let's show this mama how God's people squash desperation with exceeding love, and that she is not alone or hopeless!

Some medical clinics are open at times thankfully and treatment for many emergencies have been provided.

This little life at left and the mama's was saved by transporting her and providing funds for her to have a C-section.

This young lady at right is receiving care for a terrible burn.

So thankful for Dr. Ashlyn. He has also made several emergency house-calls to our boys home during these shutdowns.

This little girl at left is suffering the crisis in Haiti. She needs oxygen for a bad lung infection, but the hospitals are either closed or don't have any. Esdras found 1 bottle far away and it cost \$400! Grateful he found it and our mission can cover the cost. She needs another one and praying one can be found. Life is so hard there. Please pray for little Sarah and their country.

As the season of thanks and celebration of the gift of Jesus to us all is near, **now** is the time to please consider sharing your blessings with these precious brothers and sisters that are suffering. Can you imagine living one day of your life in their place? Your help is a miraculous answer to their prayers, and they are desperately waiting.

Please consider becoming a monthly Ministry Partner of any amount. You can set up thru your online banking system, thru our website or Facebook (see letterhead) via PayPal or text 4HAITI to 44321 and make a recurring payment.

Most importantly, please remember this ministry and the Haitians in your prayers. Lives are being changed now and eternally!

God bless you and your loved ones and may you all have a wonderful Thanksgiving. Much love from Acts 1:8 and our family!
