April 2023

What joy it is to celebrate what our God has done for us! Jesus, God with us, actually came! He stepped out of His glory, was born, grew up, showed the Father's love, fulfilled every prophesy as Messiah, demonstrated how to live, laid down His life as the sacrificial lamb, defeated death, annihilated sin, and burst forth in victory as a roaring lion so that we may live! Heaven in us here and now, righteous sons and daughters of God with bold access to our loving Father, and eternally with our God and Savior forever. And He gave us the Holy Spirit to comfort, guide and transform us from the inside out so that we can be who He created. Wow! HE LOVES US! We are so very precious in the sight of the Lord. He died so that we may live! What a great exchange!!!

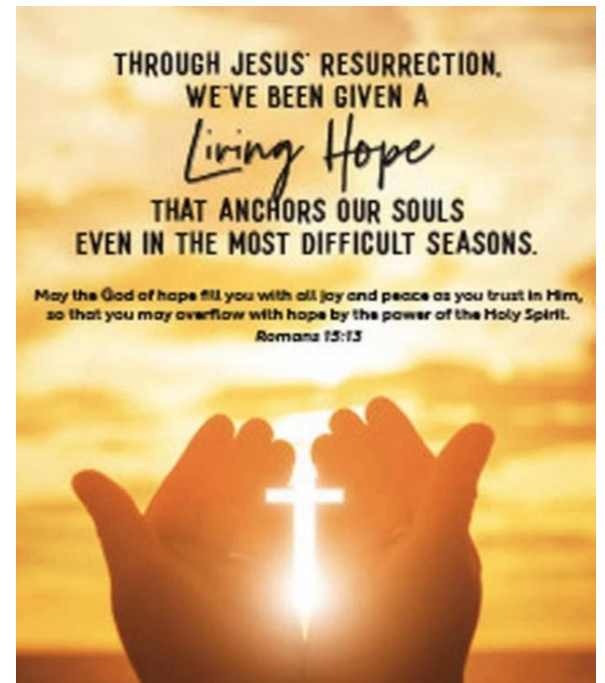

His Grace and Mercy endures forever and His thoughts towards us are good! His cross is the symbol of how valuable we are to Him, and the bridge that we may run across to our Father.

Hallelujah! Death could not hold the very giver of Life! If you have never received this gift of God, there will never be a better time than now!

For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. Jeremiah 29:11

We wish you a wonderful Good Friday and Resurrection Sunday with family and friends, and God bless you all.

Even though the crisis in Haiti continues, every day this mission is giving hope with your help. Thank you for your prayers and support! Together we are changing lives, and one day in Heaven you will meet brothers and sisters that saw and accepted the love of Christ because of what God has put together for their good and your part in that amazing plan. Woohoo!

These are the faces of the future of Haiti, and you give them reason to smile! These are some of the children of the Acts 1:8 boys home and also little girls blessed with sponsors through this mission. There is no better investment on earth! Looking at them, and knowing what they face every day as they walk out the door for school, knowing they would probably even be perished, is simply mind-blowing. All we can say is Thank you, Thank God.

Gosh would you look at the radiance of this mother on the left? That is pure joy! So thankful to save her life and this precious little one! This picture captures beautifully the Grace of God to let us all be part of His miracles there.

This fellow on the right received emergency medical care too. Wow look at the bed he's on with no mattress. Can you imagine being sick and laying on that?

The fellow in the lower left received care too, among many others. Notice the trash in the background. Mercy, please continue to pray for them.

Families are still being blessed with food through the generosity of supporters, but it is difficult. The price of rice and beans remains tripled.

We appreciate each and every one more than we can express!

God bless you all! With much love,

♥ *The Bauknight Family*
