May 2023

We greet you warmly in the name of Jesus our wonderful Savior, Lord of all, and mover of mountains. What a joy and privilege that He calls us Righteous Friends, Sons and Daughters, and equips and partners with us to share His love and Glory. Wow! We are so very thankful for each one of you reading this and that lift us and the precious ones in Haiti in prayer. God bless each of you for caring and sharing with our brothers and sisters in Christ in this country of extreme poverty and chaos. Together we are giving help and hope at a time when all seems lost there. We know the good plans God has for them and He joined us beforehand to be a lifeline during these especially dangerous and dark days.

The gang activity has increased even more. There have been brutal killings over land in our city. Our friends there tell us they hear gunfire right outside their doors and everyone has been on lockdown. It got so bad our boys home had to move suddenly to another city! Esdras tells me the population is now banding together to protect themselves against the gang activity and it has gotten somewhat better.

In an interview with a doctor from Port Au Prince with FOX News on March 28, 2023,

(<https://www.foxnews.com/world/lawless-haiti-plagued-corruption-deadly-gang-violence-fuels-humanitarian-crisis>), the situation is described as a war zone. Sadly, the gangs are targeting police with extreme torture and killings. Then they use their uniforms and captured cars and guns disguise themselves as officers to pull people over and hold check points where people are then kidnapped or extorted for money.

Please remember them and pray for peace and that this evil will stop! *If your heart is so moved, please consider joining in by donating to help.* Despite the danger all around, this mission is continuing to provide food and emergency medical care because of you and your kind and generous support. They need us all.

These families with many children were so happy to be blessed with rice, beans, spaghetti and oil!

This is little Laura Eugene Pierre and Esdras when he took to the hospital. She says hello and thank you so much!!

This young man was in a motorcycle accident and also wanted us to let you know he is so grateful to be spared and to receive help.

Every Wednesday we are hosting a program to share about our Lord and feeding a meal to over 60 children and adults in the mountains! How awesome!!

***We appreciate each and every one more than we can ever express!***

God bless you all! With much love,
