September 2023

Can you help? Our mission adopted this desperate orphanage named **Bon Secours** 5 years ago in Haiti in addition to our boys' home. On August 21, the pastor was away in the evening watering their garden. A mob broke in and killed the pastor's wife and their nephew then burned their home, all food and belongings. **Please pray for them and the pastor.** He is reeling from losing his wife of 27 years. It's hard to find the right words for this tragedy and the situation of their country.

A new home has been rented and we are so grateful for those that saw our Facebook post and gave! They are in desperate need (beds, bedding, stove, utensils, kitchen supplies...everything!) if you have a heart to donate and help them. **When you think of the phrase "the least of these"... these are them.**

Hope in a new home

The Pastor's wife

The Pastor and children dressed for school

We always spent time and took teams to minister to these children. The Pastor is such a kind man. [Let's stand with them and our brother in faith.](#)

Acts 1:8 Boys Home Forced to Flee

In Montrouis, mountain gangs are terrorizing the community. They behead people, burn them in their homes, and other horrific acts of violence in a land war. This is in addition to other gang activities that has the rest of the country paralyzed. For weeks it has happened all around our boys home and they have not slept for fear. Hallelujah! Esdras found a safer place in a different town after searching for 6 months. Our mission has rented this new home but please pray for them as they move. We cannot fully express the danger of just being on the road at this time.

Esdras said "You will never understand how happy the kids were when they heard we were moving".

So thankful the Lord put you, us and them together to give hope during these unimaginable times.

School Update

This young man is proudly sponsored for medical school in a safer town.

"I'm speechless to explain how me and my family are feeling...You are changing our lives and you're putting a new smile on my face". **That's what God does!**

It is impossible to get our sponsored children's photos and letters with all the danger and chaos in Haiti. Esdras said the Minister of Education has called for school to open on September 11, but it is unknown if that can happen. We are hopeful for the children and the country. Current sponsors, we appreciate each of you and your patience and understanding. Please pray that mountains will be moved, and peace restored there in Jesus' Mighty Name.

This lady's husband took his life..we gave supplies for her a little store to support herself and the children.

Together our mission is continuing to provide emergency medical help, feed widows, orphans and the forlorn.

Thank you everyone that makes these things possible through Christ.

We hope you see how your donations are giving life and making a real difference! If you would like to be part of it, they need your help!

God bless you all! With much love,
