November 2025

We wish everyone a wonderful upcoming Thanksgiving and please know how utterly grateful we and our precious brothers and sisters in Haiti are for you all. God bless you abundantly!

We are so thankful for each of you and to the Lord for putting us together for such a time as this. Gangs in Haiti are aggressively seeking to advance their take over and now control the little town of Montrouis where our mission was based. They go door to door and demand the children take guns and join the gang. ***If they don't, they are killed.*** Praying the Lord for victory over this evil...that the gangs will bend their knee to the love and Lordship of Jesus and receive God as Father, but to turn the enemy on itself, and give supernatural strength to the people and police on the front lines.

## New Children's Home in August!

We took over Bon Secours Orphanage, which we have helped since 2017. Pastor Ludor could not continue because of his health. ***Gangs killed his wife in front of the children and burned the orphanage in 2023.***

A large home was rented near our Acts 1:8 Children's home, with beds and essential needs. For each of the 26 kids, Esdras has been meeting with any family at the tribunal to officially be appointed guardian. Some of the children had no representation so another place was found for them, and some returned to family rather than permanently move.

We also just renewed the lease on Acts 1:8 Children's Home in September.

**Emergency Exit!** Because the gangs were going door to door and murdering so many innocent people, and especially to protect our girls and women from atrocities, both homes had to be abandoned and everyone moved to safety in a church building in the mountains. **Our mission is now permanently moving north near Cap Haitien.** Doctor Ashlyn and his family, and Pastor Ludor are among the adults also relocating.

Esdras is desperately trying to find transportation and housing there for everyone. Personal vehicles are not allowed on gang-controlled roads, only public transportation. *Hurricane Melissa* delayed the trip due to heavy rains, flooding, and land slides making the dirt roads even more dangerous. We know the Lord will make a way when it is safe. These kids are afraid and have been through so much, and this trip will be long and scary.

**Please keep all them in prayer. We have no idea physically or spiritually what they are facing. But GOD!**

**Can you help us help them? Would you ask your church group, family or friends?**

**Even though \$13,000 down for housing and supplies that had to be abandoned, we are trusting God will supply all their needs in Cap Haitien through the kindness and generosity of each of you.**

## School Sponsorship

The Minister of Education just released results of nationwide testing at school year end. **One of our boys, Lolens, scored number 1 among all students not only in his school and community, but also in the whole district of Artibonite!**

*Hallelujah* and so proud!

*Lolens in 2018*

Some school letters thanking sponsors have been received, but they now must be enrolled in the new town.

Would anyone like to be a school sponsor for the new children? Please contact Ginger at 706-436-5644 to help! Anticipating \$300/year or \$25/month. Text 4School to 44321, or make a donation thru our Facebook page or website and marked School.

## Medical Care

Pastor Frenel's wife from Larot (where we built the church) has breast cancer, and we helped pay for her masectomy last week if you would remember them in prayer for healing.

As of now, the clinic we staff & supply is still open in Montrouis, and together we are still a lifeline there.

## Feeding the Poor

So thankful to give hope to these and many other families in desperate need.

**You can help** thru your online banking system, thru our website or Facebook, via PayPal or text 4HAITI to 44321 and make a recurring payment. Most importantly, please remember this ministry and the Haitians in your prayers. They really need and appreciate it more than you will ever know. Lives changed now & eternally!

*Thank you for giving hope & sharing the love of Christ! God bless you all!*

With much love, *The Bauknight Family* and all of us at Acts1Eight

All donations are strictly used for mission purposes. Neither we nor our board members are compensated in any way
